1. It is requested that the individuals listed below be cleared and briefed into the CS program. These individuals have been appointed to serve as the Directorate of Administration Emergency Planning Group. This group has been tasked to provide planning for the continuity of central support services to the Agency during emergencies. It is necessary that they be aware of the parameters of the CS in order to avoid duplication, ensure that our planning has the appropriate interfaces with your organization, and that this group's activities are properly coordinated with your staff.

2. The following individuals should be cleared and briefed:
